REMARKS

In response to the Notice of Omitted Item(s) In A NonProvisional Application, Applicant has submitted a renumbered specification herewith. The original specification started on page 1 and skipped to page 3. No part of the originally filed specification text, however, was omitted. It was only a page numbering error. The specification, claims and abstract have been amended to reflect the correct numbering of the pages contained therein. No new matter has been added. Examination of the same is requested.

Respectfully Submitted,
